USHER IN 2022 WITH PA'S VIRTUAL PROGRAMMES TOGETHER WITH FAMILY AND NEIGHBOURS

As we usher in 2022, the People's Association (PA) Grassroots Organisations (GROs) will be organising 15 virtual year-end countdown community programmes to connect residents in a safe way and celebrate as one united community on 31 December 2021. This is the second year that our year-end countdown programmes will go virtual as we resume social activities and bond vigilantly towards COVID-19 resilience.

2 There will be 15 virtual engagement programmes lined up at the various divisions; ranging from singing and dance performances, musical skit, comedy show to games and quizzes.

3 The programme highlights include Sengkang Central residents being treated to a variety of performances, humorous skits as well as a stand-up comedy. Over at Paya Lebar, there will be a 1.5-hour virtual programme of various performances by residents and schools' performing arts groups. Residents will also pen down New Year wishes for themselves and Singapore. At Bukit Panjang Countdown Celebration, residents can participate in interactive quiz and games while enjoying singing and dance performances. East Coast GRC residents can usher in the New Year with their families by enjoying Choir performances and discovering more about the GRC through quizzes. Several of the virtual programmes will end off with a live streaming of fireworks organised in the community – symbolising the community's resilience in the fight against COVID-19 as we look forward to the New Year with optimism and confidence.

4 We would like to invite our residents to join the virtual programmes organised by the divisions to celebrate as a community and enjoy the live streaming of fireworks at home as we welcome 2022 with hope and confidence. Please refer to Annexes for more information.
