

YOUR Neighbourly WELCOME GUIDE

LET'S EXPLORE
Pasir Ris - Punggol GRC

Singapore Together is about the Government working with Singaporeans, and Singaporeans working with one another, to build our future Singapore. The Government will open up more partnership opportunities for Singaporeans to participate. The Government also hopes to support more citizen-led efforts. Whatever our background or interests, we can each step forward to contribute in areas that we care about. By working together, we can turn diversity into strength and transform challenges into opportunities, to build a Singapore that present and future generations of Singaporeans will be proud of.

MEET Ms Jasling Boo, PBM THE COMMITTED LEADER

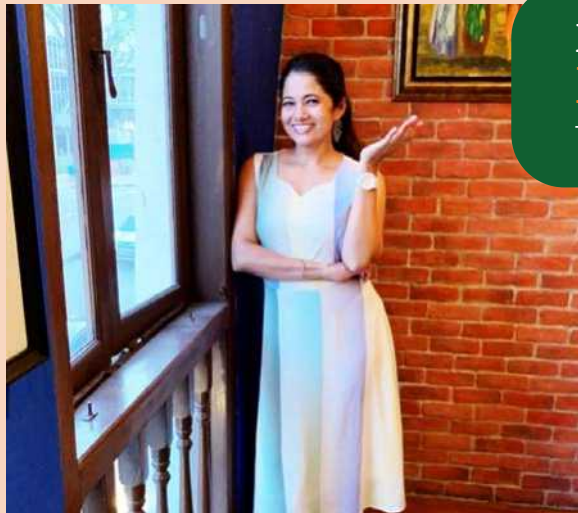

Jasling (standing on the left) has been volunteering in Pasir Ris East for 16 years, committing herself to the work of different committees. She is currently the leader of the Integration and Naturalisation Committee (INC) in Pasir Ris East. Based on resident interest, she established a team of volunteers that creates displays for various events and festivals.

During the Covid-19 pandemic, Jasling initiated a meaningful event, "My Hero Project", to appreciate all the hard work done by the front line medical workers. The team baked 1,500 bottles of cookies for the medical front liner at Changi General Hospital and Pasir Ris Polyclinic. To Jasling, giving is better than receiving.

MEET Ms Prajakta THE HOSPITABLE RESIDENT

Ms Prajakta is a new citizen residing in Pasir Ris West. Recently, she joined the Integration and Naturalisation Committee (INC) to reach out to new citizens and welcome them. Having been a recipient of the hospitality of the INC when she entered Pasir Ris West, she felt compelled to extend that warmth to other newcomers. With her participation at INC, she hopes to spread positivity to everyone she meets.

MEET Mdm Ng Pei Zhu Rina THE SELF-MOTIVATED VOLUNTEER

When COVID-19 pandemic hit, many Singaporeans stepped forward in various ways to do their part. For Rina, it was the old and frail whom she wanted to support. She stepped up and organised house visits to households in Punggol Raydew Estate and discovered some of the elderly residents were living alone. In response, she went above and beyond to help these residents by personally delivering masks to them.

MEET THE Mask Sewn with Love (MSWL) Team Ms Lini Chew, Mr Kitson Leonard Lee, Ms Jacqueline Pang and Mr Pok Cheng Chong (Not in picture: Ms Michelle Tong & Ms Agnes Lim)

MSWL is a ground-up initiative that started in Feb 2020 during the outbreak of COVID-19. After receiving feedback from Punggol West residents about the lack of masks for children, the volunteers banded together to do more. They put the word out and received an overwhelming response. It was extremely heartening to see people giving their all to help—tracing templates, cutting fabric and sewing masks. MSWL is truly an initiative for the community by the community. As of July 2021, over 400,000 masks have been sewn and distributed nationwide.

In view of the many isolated seniors in the community, she also urges other community and grassroots volunteers to brainstorm better ways to engage seniors.
