Venue: Fernvale CC, The Atrium and Seminar Room

Get a sneak peek into our school holiday courses! Join us on 20 May where you can find an amazing lineup of activities designed to ignite your child's passions

In collaboration with:

INTRODUCTION

Far away in the galaxy, there lived a little dino named Kid Dinosaur (K.D). K.D loved nothing more than staring up at the twinkling stars and dreaming of new worlds to explore.

One day, K.D looked through his telescope and spotted a green-blue planet. "Could this be the legendary Planet Earth?" he wondered, "I need to see it for myself!"

K.D was exhilarated. He told his parents about his new sighting. "Papa, will you take me there?" he asked.

"Of course!" said his Papa. "Let's explore together!" said his Mama.

Off they went, racing towards Planet Earth in their trusty spaceship.

CHAPTER 1

MasterArt

As they neared Earth, K.D and his parents saw that it was much more than just green and blue. The vibrant colours of the surroundings captivated K.D and he soon found himself in the PA Kiddies community.

Intrigued, K.D enrolled in an art course and had a blast exploring his creativity in this exciting new world.

MasterArt

Arts & Craft, Music, Dance & Drama courses

PA Kiddies: Diorama

Recreate the magical wonders of the land or sea through enchanting dioramas!

In these workshops, your child will be taught how to make either lifelike 3D gardens or seascapes with craft materials and LED lights! Along with learning more about the fascinating natural world, making these dioramas will also let them exercise their creativity and hone their fine motor skills.

Magical Garden Diorama

K.D wants to thank you for being part of his journey exploring the PA Kiddies Community! Print out this thank you card and decorate it with space-themed cutouts at the side.

Give this to someone who has helped you learn and have fun during your school holidays.

THANK YOU

CHAPTER 6

The End

As the sun was setting, K.D and his parents were preparing to leave Earth. "I've had so much fun on Earth!" K.D exclaimed, "I don't want to go home..."

Staring into the sky, K.D's parents could see their planet in the distance. Thinking about the new friendships forged and the liveliness of Earth, they smiled at K.D and said, "Perhaps, we should stay."

Upon hearing it, K.D exclaimed with excitement. "Yay!" He couldn't wait to learn more about his new home on Earth with his new community.

Stay tuned to find out more about K.D's adventures with PA Kiddies in November/December.
